Muncie 4-Speed Transmissions Jan 24 2020 The Muncie 4-speeds,

M20, M21, and M22 are some of the most popular manual transmissions ever made and continue to be incredibly popular. The Muncie was the top high-performance manual transmission GM offered in its muscle cars of the 60s and early 70s. It was installed in the Camaro, Chevelle, Buick GS, Pontiac GTO, Olds Cutlass, and many other classic cars. Many owners want to retain the original transmission in their classic cars to maintain its value. Transmission expert and veteran author Paul Cangialosi has created an indispensable reference to Muncie 4-speeds that guides you through each crucial stage of the rebuild process. Comprehensive ID information is provided, so you can positively identify the cases, shafts, and related parts. It discusses available models, parts options, and gearbox cases. Most important, it shows how to completely disassemble the gearbox, identify wear and damage, select the best parts, and complete the rebuild. It also explains how to choose the ideal gear ratio for a particular application. Various high-performance and racing setups are also shown, including essential modifications, gun drilling the shafts, cutting down the gears to remove weight, and achieving race-specific clearances. Muncie 4-speeds need rebuilding after many miles of service and extreme use. In addition, when a muscle car owner builds a high-performance engine that far exceeds stock horsepower, a stronger high-performance transmission must be built to accommodate this torque and horsepower increase. No other book goes into this much detail on the identification of the Muncie 4-speed, available parts, selection of gear ratios, and the rebuild process.

Last Night at the Lobster Mar 27 2020 A frank and funny yet emotionally resonant tale set within a vivid work day world, from the author of Emily, Alone and Henry, Himself--named a Best Book of the Year by The Washington Post, the San Francisco Chronicle, and Entertainment Weekly A Finalist for the Los Angeles Times Book Prize Perched in the far corner of a run-down New England mall, the Red Lobster hasn't been making its numbers and headquarters has pulled the plug. But manager Manny DeLeon still needs to navigate a tricky last shift--just four days before Christmas and in the midst of a fierce blizzard--with a near-mutinous staff and the final onslaught of hungry retirees, lunatics, and holiday office parties. All the while, he's wondering how to handle the waitress he's still in love with, his pregnant girlfriend, and where to find the present that will make everything better. Stewart O'Nan has been called "the bard of the working class," and Last Night at the Lobster is a poignant yet redemptive look at what a man does when he discovers that his best might not be good enough.
