The tenth edition of this best-selling introductory text features an up-to-date, comprehensive survey of the functional areas of business: management, marketing, accounting, finance, and information technology. Core topics highlighted within these areas include ethics and social responsibility, forms of business ownership, small business concerns, and international issues. New coverage in this edition more closely examines cutting-edge topics like the 2008 economic crisis, green business, and sustainability. In addition to updating and revitalizing the content, the authors have redesigned the entire textbook program to highlight its strengths as the most accessible and student friendly program on the market. The new online resources no longer require a passkey and put students on the path to success and mastery through premium online study content, including ACE Plus practice tests, flashcards, MP3 audio chapter summaries and quizzes, interactive games, and Career Snapshots. Acute pancreatitis is a common cause of acute abdomen. Diagnoses is difficult as the symptoms mimic that of many other medical and surgical conditions. Patients with severe acute pancreatitis can develop multiple organ failure and need intensive care. As its management is multi-disciplinary involving gastroenterologists, radiologists and surgeons, this book shall appeal to every doctor, irrespective of the specialty. This focused book conveys the knowledge of the basic concepts of acute pancreatitis in an innovative way. Original photographs and figures are used for the better understanding of the readers. In this pocketbook, various aspects related to acute pancreatitis are covered in a unique, simple and easy-to-read A-to-Z format and will be useful to medical students, post-graduate trainees and practicing doctors as a ready reckoner for pancreatitis. Key Features: • Innovative and unique A - Z format. • focuses on signal knowledge and fast clinical management of various facets of different types of acute pancreatitis. • Comprehensive approach with interesting facts. • Lucid and self-explanatory text. • Can be used as a ready reckoner pocketbook. Son of a famous father. Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (Mera Naam Joker, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (Bobby, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like Do Dooni Chaar, D-Day, Agneepath and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of Khullam Khulla. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in Mera Naam Joker, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most dil se biography an Indian star has ever penned. EBOOK: Behavioral Corporate Finance, 2/e Let your pregnancy be the joyous, exciting and spiritual journey it was always meant to be... While having a baby is a time of great happiness, it can also be the most bewildering experience for those involved. Luckily, this book provides the perfect antidote to all your pregnancy and baby concerns. Right from deciding whether to have a baby to choosing the best hospital for the d-day (deliveryday!), Spiritual Pregnancy shows you how to make the most of your pregnancy so that you come through those nine months not only relaxed, but also confident and prepared. This unique volume shows you the best ways to handle the dilemmas that accompany having a baby, while preparing you for the incredible job that lies ahead - becoming a parent. Allow Gopika Kapoor to share with you the learning from her own journey as a mother of twins and the spiritual insights that guided her. Her pragmatic and reassuring voice not only tells you how to deal with surprise pregnancies, crazy hormones, overbearing relatives and tired sex lives, but also gives great advice on baby showers, alternative birthing methods, post-baby body image, and how to stay energized and positive through it all. Since parental bonds first form while the baby is still in the womb, Spiritual Pregnancy is your guide to making the most of this very special time with your child. EBOOK: Analysis for Financial Management Ebook: Principles of Corporate Finance It's bedtime, but tonight Little Rabbit is especially restless and he can't sleep. He tells his mama that he doesn't like darkness. Read the book to find out what his favorite time of the day is and to help Little Rabbit fall asleep. The Ninth Edition of this bestselling introductory text features a completely up-to-date, comprehensive survey of the functional areas of business: management, marketing, accounting, finance, and information technology. An Integral Part Of College Mathematics, Finds Application In Diverse Areas Of Science And Engineering. This Book Covers The Subject Of Ordinary And Partial Differential Equations In Detail. There Are Nineteen Chapters And Eight Appendices Covering Diverse Topics Including Numerical Solution Of First Order Equations, Existence Theorem, Solution In Series, Detailed Study Of Partial Differential Equations Of Second Order Etc. This Book Fully Covers The Latest Requirement Of Graduation And Postgraduate Courses. With the decline in world fish stocks, our knowledge of fish reproduction has become fundamental. Reproduction is an essential commitment to future generation. It is also a continuous development process throughout ontogeny, requiring energetic, ecological, physiological, anatomical, biochemical and endocrinological adaptations. The first chapters highlight important issues affecting fish normal ways of reproductive development; details would focus on species living in opposite environments, such as tropical and polar fishes; far related, as teleosts and cartilaginous fishes; and finally, fish having different reproductive strategies. Thereafter, since many fishes live in detrimental environments, mainly induced by the continuous input of xenobiotic substances into waterways, the authors found it highly pertinent to include this topic. Herein, the authors fix their attention on the factors and mechanisms that may well affect reproduction-related hormonal systems as also on known consequences for fish living in This book examines the new phenomenon of celebrity humanitarianism arguing that legitimates neoliberal capitalism and global inequality. AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "Dazzling...Finally free from the book's grip, now all I want to do is

get others hooked.”— The Washington Post “Cinematic...A luxe thriller...As a storyteller, Kapoor is a natural.”-- The New York Times “Sensationally good — huge, epic, immersive and absorbing ... certain to be a book of the year.” —Lee Child This is the age of vice, where money, pleasure, and power are everything, and the family ties that bind can also kill. New Delhi, 3 a.m. A speeding Mercedes jumps the curb and in the blink of an eye, five people are dead. It’s a rich man’s car, but when the dust settles there is no rich man at all, just a shell-shocked servant who cannot explain the strange series of events that led to this crime. Nor can he foresee the dark drama that is about to unfold. Deftly shifting through time and perspective in contemporary India, *Age of Vice* is an epic, action-packed story propelled by the seductive wealth, startling corruption, and bloodthirsty violence of the Wadia family -- loved by some, loathed by others, feared by all. In the shadow of lavish estates, extravagant parties, predatory business deals and calculated political influence, three lives become dangerously intertwined: Ajay is the watchful servant, born into poverty, who rises through the family’s ranks. Sunny is the playboy heir who dreams of outshining his father, whatever the cost. And Neda is the curious journalist caught between morality and desire. Against a sweeping plot fueled by loss, pleasure, greed, yearning, violence and revenge, will these characters’ connections become a path to escape, or a trigger of further destruction? Equal parts crime thriller and family saga, transporting readers from the dusty villages of Uttar Pradesh to the urban energy of New Delhi, *Age of Vice* is an intoxicating novel of gangsters and lovers, false friendships, forbidden romance, and the consequences of corruption. It is binge-worthy entertainment at its literary best.

Business, First Canadian Edition, is a digital learning solution for the Introduction to Business course that presents concepts in a way that resonates with the needs of today’s learners. In response to the feedback gathered through a variety of focus groups and reviews by Canadian students and educators, NELSON has built an innovative digital learning experience that contains the comprehensive content instructors require, delivered in an engaging manner for students. Within *MindTap*, students are encouraged to learn the core concepts through readings; interactive, media-rich activities; and concept videos. Students then can apply what they have learned through scenario-based application activities and review quizzes. Their work culminates in a business plan that is built as they move through the content. *Business, First Canadian Edition*, engages students to learn, provides the opportunity to apply their knowledge, and ultimately builds confidence leading to student success. After prolific growth on social media, Komal Kapoor is utilizing her perceptive understanding of romance in the digital age to present her first collection of poems. *Unfollowing You* tells a chronological tale of a modern love through a series of poems, prose, texts, screen grabs, and unsent letters. Exploring digital phenomena like swipe culture and technological realities, Kapoor’s words affirm experiences and sentiment echoed across many media platforms. *Unfollowing You* is separated into two parts: “Following You” details how the two protagonists fall in love and “Unfollowing You” shares their heartbreak. The realism of this collection will encourage readers to normalize growth and indulge in their feelings, even finding strength in them. The *Peacock Feather* is a collection of ten short stories that will keep the readers totally captivated and engrossed in its interesting storyline replete with twists and unexpected turns. It explores a wide range of genres, each story having its unique characteristics. From a bittersweet love story in “The Peacock Feather” to a rags-to-riches story in “The Gutka King”; an engineer in the early part of the twentieth century determined to accomplish his mission against all odds in “The Accomplish”; This book is intended as a resource for students and researchers interested in developmental biology and physiology and specifically addresses the larval stages of fish. Fish larvae (and fish embryos) are not small juveniles or adults. Rather they are transitional organisms that bridge the critical gap between the single-celled egg and sexually immature juvenile. Fish larvae represent the stage of the life cycle that is used for differentiation, feeding and distribution. The book aims at providing a single-volume treatise that explains how fish larvae develop and differentiate, how they regulate salt, water and acid-base balance, how they transport and exchange gases, acquire and utilize energy, how they sense their environment, and move in their aquatic medium, how they control and defend themselves, and finally how they grow up. *Introducing... Essentials of Investments, 9th Global Edition*, by Zvi Bodie, Alex Kane and Alan J. Marcus. We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international Investment students. A market leader in the field, this text emphasizes asset allocation while presenting the practical applications of investment theory without unnecessary mathematical detail. The ninth edition includes new coverage on the roots and fallout from the recent financial crisis and provides increased content on the changes in market structure and trading technology. Enhancements to this new Global Edition include: - New “On the market front” boxes highlight important investment concepts in real world situations across the globe, to promote student thinking without taking a full case study approach. Topics include short-selling in Europe & Asia, credit default swaps and the debt crisis in Greece and include examples from Commerzbank, JP Morgan, Facebook, Coca-Cola, Santander, The European Energy Exchange, plus many more! - Revised worked examples illustrate problems using both real and fictional scenarios from across the world to help students develop their problem solving skills. Regional examples include Hutchins Whampoa (Asia), The Emirates Group (The Middle East) and KLM Royal Dutch Airlines (The Netherlands). - Revised end-of-chapter material includes brand new global questions and global internet exercises that feature currencies, companies and scenarios from Europe, Middle East, Africa and Asia to increase engagement for international students. - Global Edition of *Connect Plus Finance*, McGraw-Hill’s web-based assignment and assessment platform with eBook access, helps students learn faster, study more efficiently, and retain more knowledge. This Global Edition has been adapted to meet the needs of courses outside of the United States and does not align with the instructor and student resources available with the US edition. The journey to financial freedom starts here! Kapoor/Dlabay/Hughes/Hart’s market-leading *Personal Finance* provides practical guidance on how students can achieve peace of mind with regard to their financial situation. It provides many financial planning tools to help students identify and evaluate choices as well as understand the consequences of decisions in terms of opportunity costs. And now, McGraw-Hill *Connect* empowers students by continually adapting to deliver precisely what they need, when they need it, and how they need it, so your class time is more engaging and effective. This book, designed for academic and business communities, discusses the dimensions of business development in the Middle East. It identifies distinguishing features, calls for attention to the human resources needs of an operation and the special requirements of host governments. This book has been primarily designed for the undergraduate beginners in microbiology, who have little information about this subject. It contains all basic concepts and principles that a student should know about the different aspects of microbiology including recent developments in the area. This book also provides a comprehensive account of the microbial world including both general and applied aspects. The text, which has been organized into 20 chapters, includes historical aspects; general organization; structure and function of microbial cell; basic principles of microbial nutrition and growth; metabolism; biosynthesis of cellular components; microbial genetics and gene manipulation. Besides these topics, it also covers viruses and differentiation in micro-organisms and various aspects of applied microbiology such as mineral transformations in soil; microbes in industry; food microbiology and dairy microbiology. The book is also well illustrated. Fish lives in environments with a wide variety of chemical characteristics (fresh, brackish and seawater, acidic, alkaline, soft and hard waters). From an osmoregulatory point of view, fish have developed several mechanisms to live in these different environments. Fish osmoregulation has always attracted considerable attention and in the last years several studies have increased our knowledge of this physiological process. In this book several specialists have analyzed and reviewed the new data published regarding fish osmoregulation. The chapters present an integrative synthesis of the different aspects of this field focusing on osmoregulation in specific environments or situations, function of osmoregulatory organs, general mechanisms and endocrine control. In addition, interactions of osmoregulatory mechanisms with the immune system, diet and metabolism were also reviewed. New emerging techniques to study osmoregulation has also been analysed. We are pleased to present this Global Edition, which has been developed specifically to meet the needs of international Investment students. A market leader in the field, this text introduces major issues of concern to all investors and places emphasis on asset allocation. It gives students the skills to conduct a sophisticated assessment of watershed current issues and debates. Bodie Investments’ blend of practical and theoretical coverage combines with a complete digital solution to help your students achieve higher outcomes in the course. *Ebook: Real Estate Finance and Investments* Written by authors who have an extensive track record teaching the Introduction to Business course, the twelfth edition of this best-selling text features an up-to-date, comprehensive survey of the functional areas of business: management and organization, human resource management, marketing, information systems and accounting, and finance and investment. Core topics highlighted within these areas include ethics and social responsibility, small business concerns and entrepreneurship, and global issues. New coverage in this edition closely examines cutting-edge topics like the impact of social media on business, the economic crisis, green and socially responsible business, and sustainability. A new Personal Apps feature within each chapter provides examples to illustrate main text concepts. *BUSINESS 12e* is designed to help you achieve career and business success. Available with *InfoTrac Student Collections* <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Venous thrombo-embolism, venous thrombosis and pulmonary embolism are common complications in postoperative patients. This focused handbook covers the topics of epidemiology, screening, and prophylaxis along with diagnosis and management of venous thrombo-embolism. It covers both mechanical and pharmacological methods of prophylaxis and various drugs used in prevention and treatment viz. heparins (unfractionated and low molecular weight), anticoagulants (vitamin K antagonists and novel oral anticoagulants), etc. The A-Z format makes this book a useful practical guide. The approach will break the barriers to the use of venous thrombo-embolism prophylaxis in the minds of physicians. Key Features Discusses the content in an innovative A-Z format Contains practical tips for day-to-day clinical management Examines the use of venous thrombo-embolism prophylaxis by practicing physicians and residents A highly charged fiction debut about a young woman in India, and the love that both shatters and transforms her She is twenty, restless in New Delhi. Her mother has died; her father has left for Singapore. He is a few years older, just back to India from New York. When they meet in a café one afternoon, she—lonely, hungry for experience, yearning to break free of tradition—casts aside her fears and throws herself headlong into a love affair, one that takes her where she has never been before. Told in a voice at once gritty and lyrical, mournful and frank, *A Bad Character* marks the arrival of an astonishingly gifted new writer. It is an unforgettable hymn to a dangerous, exhilarating city, and a portrait of desire and its consequences as timeless as it is universal. And *The Wind Blew in a New Direction...* A chance meeting on a road trip that invites you to rethink your upcoming wedding. A moment of vulnerability betrayed and made viral on the internet. A shared cab ride that gives you a chance at sweet revenge. Gatecrashing a grand feast and falling headlong into an unexpected new friendship. An opportunity to make quick bucks under the table that is fraught with risk. This anthology of twenty-five winning stories from *eShe* magazine’s short story contest for women writers will leave you enthralled to the last page. The contest was judged by India’s highest selling female author Preeti Shenoy, *eShe*’s founder and editor Aekta Kapoor, and author and editor-in-chief of Embassy Books, Aruna Joshi. Written by twenty-five women of varied backgrounds from all corners of India – from homemakers to teachers to engineers – the stories give you a glimpse into the preoccupations of modern Indian womanhood. There’s only one thing they have in common – a life-changing twist in the tale. Featuring Stories from : Anushree Bose, Arti Jain, Arva Bhavnagarwala, A.V. Sridevi, Bhargavi Chatterjea Bhattacharya, Chandrika R. Krishnan, Divya Vartika, Manisha Sahoo, Nasreen Khan, Natasha Sharma, Nina Krishna Warriar, Noopur Joshi Bapat, Preetha Vasan, Priyadarshini Sharma, Priyamvada Singh, Raina Lopes, Rajitha Menon, Ruchika Verma, Salini Vineeth, Sangeeta Das, Sangeetha Vallat, Sapna D. Singh, Shalini Mullick, Sulekha Bajpai, Urvashi Tandon. The book explain the concept of Business Ethics and Human Values in proper

Perspective and shall make the readers realise the important of value and ethics in business and provide them a framework to take ethical decisions by following a life of values a person develop certain fine qualities hope honesty, courage, confidence, maturity, helpfulness and achieve aspiration dream by using the right way of thinking and doing. "The seventh edition of Focus on Personal Finance contains new and updated boxed features, exhibits and tables, articles, and end-of-chapter material. The following grid highlights some of the more significant content revisions made to Focus, 6e"-- This book deals with chemosensory systems of fishes and covers the well known olfactory and the gustatory senses as well as the less popular solitary chemosensory cells. Chemosenses play an essential role in the life of a fish. They help fish in their search for food, to consume it and digest it. They also help fish to find their conspecifics and to avoid enemies or predators. Fish live in varied and often extreme ecological conditions frequently inhabiting niches such as caves or at great depths in the oceans. The chemosensory organs of such well adapted fish are highly specialized and evolved in contrast to the chemosenses of sight-hunting fish. Fishes have developed diverse strategies to survive within the widely varying water bodies, owing, at least in part, to the highly evolved chemosensory systems. A group of internationally reputed specialists have contributed to this book. It contains six chapters devoted to fish olfaction, one chapter to solitary chemosensory cells and six chapters to the fish taste
