Homicide detective Eve Dallas must untangle a twisted family history while a hostage's life hangs in the balance—in *Abandoned in Death* by New York Times bestselling author J. D. Robb. The woman's body was found in the early morning, on a bench in a New York City playground. She was clean, her hair neatly arranged, her makeup carefully applied. But other things were very wrong—like the tattoo and piercings, clearly new. The clothes, decades out of date. The fatal wound hidden beneath a ribbon around

her neck. And the note: Bad Mommy, written in crayon as if by a child. Eve Dallas turns to the department's top profiler, who confirms what seems obvious to Eve: They're dealing with a killer whose childhood involved some sort of trauma—a situation Eve is all too familiar with herself. Yet the clues suggest a perpetrator who'd be roughly sixty years old, and there are no records of old crimes with a similar MO. What was the trigger that apparently reopened such an old wound and sent someone over the edge? When Eve discovers that other young women—who physically resemble the first victim—have vanished, the clock starts ticking louder. But to solve this case she will need to find her way into a hidden place of dim light and concrete, into the distant past, and into the cold depths of a shattered mind. While investigating a doctor accused of drug-facilitated sexual assaults, Manhattan Assistant DA Alex Cooper learns of the grisly death of a world-class ballerina at Lincoln Center. Fairstein's latest "New York Times" bestseller is available in a Premium Edition. After a party in New York, Lieutenant Eve Dallas rides home with her billionaire husband, Roarke, happy to be done with cocktails and small talk. After another party, not far away, a woman retires to her bedroom with her husband, and walks into a brutal nightmare. Their paths are about to collide. When the young woman--dazed, naked, and bloody--wanders in front of their car, Roarke slams on the brakes just in time, and Eve, still in glittering gown and heels, springs into action. It's been a long night for the tired homicide cop, and it's far from over. When a cop killer cuts loose in a club called Purgatory, New

York Detective Eve Dallas descends into an underground criminal hell in this novel in the #1 New York Times bestselling In Death series. In an uptown strip joint, a cop is found bludgeoned to death. The weapon's a baseball bat. The motive's a mystery. It's a case of serious overkill that pushes Eve Dallas straight into overdrive. Her investigation uncovers a private club that's more than a hot spot. Purgatory's a last chance for atonement where everyone is judged. Where your ultimate fate depends on your most intimate sins. And where one cop's hidden secrets are about to plunge innocent souls into vice-ridden damnation... In this novel in the #1 New York Times bestselling In Death series, Lieutenant Eve Dallas faces a serial killer who offers his victims eternal youth by taking their life.. After a tip from a reporter, Eve Dallas finds the body of a young woman in a Delancey street dumpster. Just hours before, the news station had mysteriously received a portfolio of professional portraits of the woman. The photos seemed to be nothing out of the ordinary for any pretty young woman starting a modeling career. Except that she wasn't a model. And that these photos were taken after she had been murdered. Now Dallas is on the trail of a killer who's a perfectionist and an artist. He carefully observes and records his victim's every move. And he has a mission: to own every beautiful young woman's innocence, to capture her youth and vitality—in one fateful shot... Maria Worth has come to hate her partner, Peta Gore, who has become the bane of her otherwise successful business life. When Peta turns up at a gathering in a remote village, everyone

bands together in mutual loathing - but does someone hate her enough to kill her? Hamish Macbeth investigates. Estimation of the Time Since Death remains the foremost authoritative book on scientifically calculating the estimated time of death postmortem. Building on the success of previous editions which covered the early postmortem period, this new edition also covers the later postmortem period including putrefactive changes, entomology, and postmortem r A provocative description of the power of population change to create the conditions for societal transformation. As the world nears 8 billion people, the countries that have led the global order since World War II are becoming the most aged societies in human history. At the same time, the world's poorest and least powerful countries are suffocating under an imbalance of population and resources. In 8 Billion and Counting, political demographer Jennifer D. Sciubba argues that the story of the twenty-first century is less a story about exponential population growth, as the previous century was, than it is a story about differential growth—marked by a stark divide between the world's richest and poorest countries. Drawing from decades of research, policy experience, and teaching, Sciubba employs stories and statistics to explain how demographic trends, like age structure and ethnic composition, are crucial signposts for future violence and peace, repression and democracy, poverty and prosperity. Although we have a diverse global population, demographic trends often follow predictable patterns that can help professionals across the corporate, nonprofit, government, and military sectors

understand the global strategic environment. Through the lenses of national security, global health, and economics, Sciubba demonstrates the pitfalls of taking population numbers at face value and extrapolating from there. Instead, she argues, we must look at the forces in a society that amplify demographic trends and the forces that dilute them, particularly political institutions, or the rules of the game. She shows that the most important skills in demographic analysis are naming and being aware of your preferences, rethinking assumptions, and asking the right questions. Provocative and engrossing, *8 Billion and Counting* is required reading for business leaders, policy makers, and anyone eager to anticipate political, economic, and social risks and opportunities. A deeper understanding of fertility, mortality, and migration promises to point toward the investments we need to make today to shape the future we want tomorrow. In this *In Death* novel from #1 New York Times bestselling author J. D. Robb, Lieutenant Eve Dallas learns that when technology links the law and the lawless, predators and prey can become one and the same... He is an expert with the latest technology... a madman with the mind of a genius and the heart of a killer. He quietly stalks his prey. Then he haunts the police with cryptic riddles about the crimes he is about to commit—always solved moments too late to save his victims' lives. Police lieutenant Eve Dallas found the first victim butchered in his own home. The second lost his life in a vacant luxury apartment. The two men had little in common. Both suffered unspeakable torture before their deaths. And both had ties to an ugly secret of ten years

past—a secret shared by none other than Eve's new husband, Roarke. Originally published: Great Britain: Piatkus, 2016. Fifteen-year-old Allie Carson is shot while shopping. Based on the true story of the 2005 Boxing day killing of Jane Kreba in Toronto. In this novel in the #1 New York Times bestselling series known for its tantalizing blend of romance, suspense, and futuristic police procedural, New York cop Eve Dallas faces her most ingenious foe: a “secret admirer” who taunts her with letters...and kills without mercy. An unknown bomber is stalking New York City. He is sending Eve Dallas taunting letters promising to wreak mass terror and destruction among the “corrupt masses.” And when his cruel web of deceit and destruction threatens those she cares for most, Eve fights back. It's her city...it's her job...and it's hitting too close to home. Now, in a race against a ticking clock, Eve must make the pieces fit—before the city falls. A collection of the fifth through eighth installments of Bernard Cornwell's bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit television series. This ebook collection includes The Burning Land, Death of Kings, The Pagan Lord, and The Empty Throne. Lieutenant Eve Dallas never wavers in her search for justice. But in this gripping novel in the #1 New York Times bestselling In Death series, she'll learn that matters of the heart are never black and white. The first victim was found lying on a sidewalk in the rain. The second was murdered in her own apartment building. Police Lieutenant Eve Dallas had no problem finding

connections between the two crimes. Both victims were beautiful and highly successful women. Their glamorous lives and loves were the talk of the city. And their intimate relations with men of great power and wealth provided Eve with a long list of suspects—including her own lover, Roarke. As a woman, Eve was compelled to trust the man who shared her bed. But as a cop, it was her job to follow every lead...to investigate every scandalous rumor...to explore every secret passion, no matter how dark. Or how dangerous. Lieutenant Eve Dallas tails a serial killer who has a passion for the "Twelve Days of Christmas" in this novel in the #1 New York Times bestselling In Death series. No one likes to be alone during the holidays. For New York's most posh dating service, Personally Yours, it is the season to bring lonely hearts together. But Lieutenant Eve Dallas, on the trail of a ritualistic serial killer who likes to dress up as Santa Claus, has made a disturbing discovery: all of the victims have been traced to Personally Yours. As the murders continue, Eve enters into an elite world of people searching for their one true love. A world where the power of love leads men and women into the ultimate act of betrayal... Forms the basis of Reap What You Sew, the latest Aurora Teagarden Mystery. Premieres Sunday, April 15, 2018 on the Hallmark Movies and Mysteries Channel Aurora Teagarden, mild-mannered librarian, has spent her entire life in the same small Georgia town. Along with her sister-in-law Poppy, Roe has finally earned a coveted spot in the Uppity Women, an exclusive group that does more than flower arranging. But Poppy is a no-show on their induction day. Roe stops by Poppy's house to

find out why and is shocked to discover Poppy dead on the kitchen floor, and it's not by accident. There's no lack of suspects, since both Poppy and her husband were unfaithful. Even the detective in charge of the case, Roe's former lover Arthur Smith, has a past with Poppy. As if that weren't enough, Roe has rekindled a relationship with another old flame and things are moving fast, with plans to meet his mother at Thanksgiving. She's also acquired an unexpected house guest: her half-brother, who's run away from his parents' home in California. Balancing her personal life while looking into Poppy's murder isn't easy, but Roe is determined to give it -- and Poppy -- her best effort. And when Roe discovers that the crime scene has been ransacked, she knows someone is desperate to hide a secret. Roe will have to dig through Poppy's life to uncover the truth and bring the killer to justice. Poppy Done to Death is the engaging eighth installment of the Aurora Teagarden mysteries by #1 New York Times bestselling author Charlaine Harris. The series has been adapted into film for Hallmark Movies & Mysteries. #1 New York Times bestselling author J. D. Robb presents three In Death stories that spotlight Lieutenant Eve Dallas doing what she does best: solving crime with skill, integrity, and passion—together in one volume for the first time. ETERNITY IN DEATH A seductive killer is luring in victims with a promise of the impossible—immortality. Eve Dallas must strip away the fantasy to catch the coldhearted madman. RITUAL IN DEATH Eve is plunged into the violent aftermath of a ritualistic murder—and into the mind of an alleged witness who can't remember a thing to save his life. MISSING IN DEATH When a woman disappears

from a New York City ferry, it's a case that only Eve Dallas can solve— because the woman didn't jump, and yet she's not on board. A week's holiday in a luxurious Yorkshire time-share is just what Scotland Yard's Superintendent Duncan Kincaid needs. But the discovery of a body floating in the whirlpool bath ends Kincaid's vacation before it's begun. One of his new acquaintances at Followdale House is dead; another is a killer. Despite a distinct lack of cooperation from the local constabulary, Kincaid's keen sense of duty won't allow him to ignore the heinous crime, impelling him to send for his enthusiastic young assistant, Sergeant Gemma James. But the stakes are raised dramatically when a second murder occurs, and Kincaid and James find themselves in a determined hunt for a fiendish felon who enjoys homicide a bit too much. "The scene in the West Village studio appears to be classic crime-of-passion: two wineglasses by the bed, music playing, and a young sculptor named Ariel Byrd with the back of her head bashed in. But when Dallas tracks down the wealthy Upper East Side woman who called 911, the details don't add up. Gwen Huffman is wealthy, elegant, comforted by her handsome fianc**©** as she sheds tears over the trauma of finding the body, but why did it take an hour to report it? And why is she lying about little things? As Eve and her team look into Gwen, her past, and the people around her, they find that the lies are about more than murder. As with sculpture, they need to chip away at the layers of deception to find the shape within, and soon they're getting the FBI involved in a case that involves a sinister, fanatical group, countless hidden victims, and a stunning criminal conspiracy"

-- Cover. In the latest novel in the #1 New York Times bestselling series, homicide detective Eve Dallas sifts through the wreckage of the past to find a killer. The body was left in a dumpster like so much trash, the victim a woman of no fixed address, known for offering paper flowers in return for spare change—and for keeping the cops informed of any infractions she witnessed on the street. But the notebook where she scribbled her intel on litterers and other such offenders is nowhere to be found. Then Eve is summoned away to a nearby building site to view more remains—in this case decades old, adorned with gold jewelry and fine clothing—unearthed by recent construction work. She isn't happy when she realizes that the scene of the crime belongs to her husband, Roarke—not that it should surprise her, since the Irish billionaire owns a good chunk of New York. Now Eve must enter a complex world of real estate development, family history, shady deals, and shocking secrets to find justice for two women whose lives were thrown away... In the third novel in the #1 New York Times bestselling In Death series, Lieutenant Eve Dallas uncovers a world where technology can create beauty and youth, but passion and greed can destroy them... She was one of the most sought after women in the world. A top model who would stop at nothing to get what she wanted—even another woman's man. And now she was dead, the victim of a brutal murder. Police Lieutenant Eve Dallas put her life on the line to take the case when suspicion fell on her best friend, the other woman in the fatal love triangle. Beneath the façade of glamour, Eve found that the world of high fashion thrived on an all-consuming

obsession for youth and fame. One that led from the runway to the dark underworld of New York City where drugs could be found to fulfill any desire—for a price... #1 New York Times bestselling author J. D. Robb presents the fifth thrilling novel in her futuristic In Death series—where even in an age of cutting-edge technology, old beliefs die hard. Conducting a top secret investigation into the death of a fellow police officer has Lieutenant Eve Dallas treading on dangerous ground. She must put professional ethics before personal loyalties. But when a dead body is placed outside her home, Eve takes the warning personally. With her husband, Roarke, watching her every move, Eve is drawn into the most dangerous case of her career. Every step she takes makes her question her own beliefs of right and wrong—and brings her closer to a confrontation with humanity's most seductive form of evil... A quartet of holiday stories of romance and suspense includes J.D. Robb's "Midnight in Death," Susan Plunkett's "Christmas Promises," Dee Holmes's "The Unexpected Gift," and Claire Cross's "A Berry Merry Christmas." In a future where human nature remains as predictable as death, a killer plays God and puts innocent lives in the palm of his hand in this novel in the #1 New York Times bestselling In Death series. With the precision of a surgeon, a serial killer preys on the most vulnerable souls of the world's city streets. The first victim: a sidewalk sleeper, found dead in New York City. No bruises, no signs of struggle. Just a laser-perfect, fist-sized hole where his heart had once been. Lieutenant Eve Dallas is assigned to investigate. But in the heat of a cat-and-mouse game with the

killer, Dallas's job is suddenly on the line. Now her hands are tied...between a struggle for justice—and a fight for her career... A birthday bash sets the scene for a frightening reunion with a killer from Eve Dallas's past in this novel in the #1 New York Times bestselling In Death series. At exactly 7:30 p.m., Walter Pettibone arrived home to over a hundred friends and family shouting, "surprise!" It was his birthday. Although he had known about the planned event for weeks, the real surprise was yet to come. At 8:45 p.m., a woman with emerald eyes and red hair handed him a glass of champagne. One sip of birthday bubbly, and he was dead. No one at the party knew who she was, but Detective Eve Dallas remembers her all too well. Eve was personally responsible for Julianna Dunne's incarceration nearly ten years ago. And now, let out on good behavior, she still has nothing but bad intentions. It appears she wants to meet Dallas again—in a reunion neither will forget... (February 2019) Lieutenant Eve Dallas fights to save the innocent—and serve justice to the guilty—on the streets of New York in *Connections in Death*, the gritty and gripping new *In Death* novel from #1 New York Times bestselling author J.D. Robb. Homicide cop Eve Dallas and her billionaire husband, Roarke, are building a brand-new school and youth shelter. They know that the hard life can lead kids toward dangerous crossroads—and with this new project, they hope to nudge a few more of them onto the right path. For expert help, they hire child psychologist Dr. Rochelle Pickering—whose own brother pulled himself out of a spiral of addiction and crime with Rochelle's support. Lyle is living with Rochelle while he gets his life together, and he's thrilled to hear about his sister's new job offer. But within hours, triumph is followed by tragedy. Returning from a celebratory dinner with her boyfriend, she finds Lyle dead with a syringe in his lap, and Eve's investigation confirms that this wasn't just another OD. After all his work to get clean, Lyle's been pumped full of poison—and a neighbor with a peephole reports seeing a scruffy, pink-haired girl fleeing the scene. Now Eve and Roarke must venture into the gang territory where Lyle used to run, and the ugly underground world of tattoo parlors and strip joints where everyone has taken a wrong turn somewhere. They both believe in giving people a second chance. Maybe even a third or fourth. But as far as they're concerned, whoever gave the order on Lyle Pickering's murder has run out of chances... In this thriller in the #1 New York Times bestselling phenomenon, Eve Dallas tracks down those who break

the law—including the ones sworn to uphold it. Detective Eve Dallas and her partner, Peabody, are following up on a senseless crime—an elderly grocery owner killed by three stoned punks for nothing more than kicks and snacks. This is Peabody's first case as primary detective—good thing she learned from the master. But soon Peabody stumbles upon a trickier situation. After a hard workout, she's all alone in the locker room when the gym door clatters open, and—while hiding inside a shower stall trying not to make a sound—she overhears two fellow officers arguing. It doesn't take long to realize they're both crooked—guilty not just of corruption but of murder. Now Peabody, Eve, and Eve's husband, Roarke, are trying to get the hard evidence they need to bring down the dirty cops—knowing all the while that the two are willing to kill to keep their secret. Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling In Death series. On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is

badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare... It is a classical anthropological paradox that symbols of rebirth and fertility are frequently found in funerary rituals throughout the world. The original essays collected here re-examine this phenomenon through insights from China, India, New Guinea, Latin America, and Africa. The contributors, each a specialist in one of these areas, have worked in close collaboration to produce a genuinely innovative theoretical approach to the study of the symbolism surrounding death, an outline of which is provided in an important introduction by the editors. The major concern of the volume is the way in which funerary rituals dramatically transform the image of life as a dialectic flux involving exchange and transaction, marriage and procreation, into an image of a still, transcendental order in which oppositions such as those between self and other, wife-giver and wife-taker, Brahmin and untouchable, birth and therefore death have been abolished. This transformation often involves a general devaluation of biology, and, particularly, of sexuality, which is contrasted with a more spiritual and controlled source of life. The role of women, who are frequently associated with biological processes, mourning and death pollution, is often predominant in funerary rituals, and in examining this book makes a further contribution to the understanding of the symbolism of gender. The death rituals and the symbolism of rebirth are also

analysed in the context of the political processes of the different societies considered, and it is argued that social order and political organisation may be legitimated through an exploitation of the emotions and biology. Practical and inspiring, this field-leading book helps students learn how to navigate encounters with death, dying, and bereavement. The authors integrate classical and contemporary material, present task-based approaches for individual and family coping, and include four substantial chapters devoted to death-related issues faced by children, adolescents, young and middle-aged adults, and older adults. The book discusses a variety of cultural and religious perspectives that affect people's understanding and practices associated with such encounters. Practical guidelines for constructive communication are designed to encourage productive living in the face of death. No Longer at Ease. JUSTICE IS SERVED. Edward Mira is a powerful man, with a lot of enemies. But when the former senator is violently abducted, Lieutenant Eve Dallas suspects his kidnap is more personal than political. Someone is seeking justice; the bloodier the better. Edward's cousin Dennis was injured during the abduction - and that makes things very personal for Eve and her husband Roarke. Dennis is a beloved friend, married to NYPSD's top profiler Charlotte Mira. But as Eve delves deeper into the case, dark secrets emerge that could tear the family apart. Edward Mira has friends in high places - and they all seem to be hiding something. As her investigation takes a shocking turn, Eve finds that not all victims are innocent, and that some bonds are forged not in friendship, but in blood. Between 2005 and 2009, the bodies of eight women were discovered around the town of Jennings, in Jefferson Davis Parish, Louisiana. They had all engaged in sex work as a means of survival, and they came to be called the Jeff Davis 8. The investigations into their deaths, originally searching for a serial killer, raised questions about police misconduct and corruption.
