Models Covered: Mercury/Mariner 2.5 HP (1998-2006) Mercury/Mariner 3.3 HP (1998-2006) Mercury/Mariner 4 HP (1998-2006) Mercury/Mariner 5 HP (1998-2006) Mercury/Mariner 6 HP (1998-2006) Mercury/Mariner 8 HP (1998-2006) Mercury/Mariner 9.9 HP (1998-2006) Mercury/Mariner 15 HP (1998-2006) Mercury/Mariner 20 HP (1998-2006) Mercury/Mariner 25 HP (1998-2006) Mercury/Mariner 30 HP (1998-2006) Mercury/Mariner 40 HP (1998-2006) Mercury/Mariner 50 HP (1998-2006) Mercury/Mariner 60 HP (1998-2006) Mercury/Mariner 20 Jet (1998-2006) Mercury/Mariner 30 Jet (1998-2006) Mercury/Mariner 45 Jet (1998-2006) FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. A Secret Service agent must stop terrorists targeting America's most valuable—and vulnerable—natural resource...“A great thrill ride.”—Dwight Jon Zimmerman, New York Times-bestselling coauthor of Lincoln's Last Days The nation's water resources are high on the terrorist target list—but low in America's consciousness. Water sources are largely unprotected, providing open

access to any enemy with chemicals and biotoxins. So far we've been lucky. But now that luck may be running out... This is the all-too-real-and-present danger facing President Morgan Taylor and Secret Service Agent Scott Roarke as they try to prevent terrorists from destroying America and its infrastructure city by city, state by state. Fact-based in frightening detail, Executive Command is a political thriller that will leave you wondering the next time you pour a glass of water. "Moving at break-neck speed and nothing short of sensational. Grossman is a master storyteller who sets you up and delivers. Executive Command is not just a great book, it's a riveting experience!"—W.G. Griffiths, award-winning and bestselling author of Methuselah's Pillar FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. Three edge-of-your-seat thrillers in the series starring Secret Service Agent Scott Roarke, now in one volume! Secret Service Agent Scott Roarke has the lives of the American people in his hands every day, from the leader of the free world on down. In these three novels, he confronts ruthless enemies and twisted conspiracies—and tries to stay one step ahead of annihilation... Executive Actions: An assassin's bullet kills the wife of a presidential candidate—and puts a foreign enemy's plan in motion... "The best political thriller I have read in a long, long time?right up there with the very best of David Baldacci."—Michael Palmer, New York Times-bestselling author of Oath of Office Executive Treason: Roarke confronts Russian spycraft, murder in the White House, and a dangerous talk-radio host: "Completely mesmerizing."—Dale Brown, New York Times-bestselling author of Eagle Station Executive Command: A spate of assassinations and a secessionist movement threaten the stability of the United States: "Electrifying...A political thriller of the highest order, cut from the cloth of Allen Drury and Richard Condon." ?Jon Land, USA Today-bestselling author of The Tenth Circle Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. 75 HP, 90 HP, 115 HP, 225 HP For one family, Australia Day is the best part of the summer holidays. It takes place right before it's time to go back to school. Australia Day follows this family as they enjoy a long weekend camping along the riverbanks of the mighty Murray River. It's a holiday filled with everything from boating to skiing, fishing, toasting marshmallows, playing beach cricket, stargazing, enjoying time with friends, and more. This picture book for children offers insight into the wonders and joys of Australia Days and describes what it means for those who live there. Today is Australia Day, 26 January. Everyone is making up funny games and costumes to celebrate the day. John has brought along an old bathtub, but it looks weird. He attached a set of old skies to the bottom and added some old shower hose. We give it a trial run behind Dad's boat. It sinks straight to the bottom. Rescue mission time; more alterations are needed. Others attach flags to high poles on their boats. There are Aussie flag bikinis, board shorts, hats, flags on cars, towels, umbrellas, blow-up thongs, and beach balls. It's all happening. People everywhere, it's not a good day for fishing.
