"United States Government" is an updated and expanded textbook for high school, ESL, and adult learners reading significantly below grade level. This full-color textbook carefully explains the origins and development of U.S. government, the history of political parties, the branches of government, and voting and citizenship up to the new millennium. The text includes information on the Clinton impeachment proceedings and the 2000 election results. Lexile Level 930 Reading Level 4.0 Spache Interest Level 6-12 GRADES 5-8: This 64-page government workbook allows students to create their own subject-specific resource that can be referenced throughout the year. INCLUDES: This Interactive Notebook emphasizes the study of governmental concepts of the United States with 19 lessons covering The Constitution, the three branches of government, and much more. BENEFITS OF INTERACTIVE NOTEBOOKS: Encourages students to become active participants in their own learning by providing an easy-to-follow plan for setting up, creating, and maintaining a notebook with essential information. Students are encouraged to be creative, use color, and work with interactive content to gain a greater understanding of the topics covered. WHY MARK TWAIN MEDIA: Mark Twain Media Publishing Company specializes in providing captivating, supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character. The Basics of American Government is a collaborative effort among eight current and one former faculty members in the Departments of Political Science and Criminal Justice at University of North Georgia. The purpose of this book is to offer a no-frills, low-cost, yet comprehensive overview of the American political system for students taking introductory courses in American national government. Furthermore, the work combines the best aspects of both a traditional textbook and a reader in that most chapters offer a piece of original scholarship as a case study to bolster or reinforce the material presented in the chapter. In addition, many chapters present a civic engagement-type exercise and discussion questions intended to challenge, engage, and foster student participation in the political system. The authors undertook this project for several reasons, most notably the high costs of textbooks for students and the lack of college-level scholarship found in most American Government texts. This 375-page, peer-reviewed, edited book that combines traditional material with original scholarship will cost students \$27.99, well below market standards. All of the authors are experienced classroom instructors, subject matter experts, and published researchers in the field of American politics. All you need to know about elections, politics, and government! Too often, textbooks turn the noteworthy details of government into tedious discourse that would put even the president to sleep. American Government 101 cuts out the boring explanations, and instead provides a hands-on lesson that keeps you engaged as you learn. From the backstory of the Constitution to the institution of the Electoral College, this primer is packed with hundreds of entertaining tidbits and concepts to help you learn about how the government of the United States actually works. So whether you want to learn about how policies and laws are created, or just want to become a better-informed voter, American Government 101 has all the answers--even the ones you didn't know you were looking for. This set of standards-based reproducible activity pages is basic, not boring. In this book, students tour the American government and economy with a sassy American eagle named Egbert. They'll review important facts about the structure of the government, the workings of the economy, and the rights and responsibility of citizens. An assessment, glossary, and helpful lists are included. Learn how the Law of Moses and Christ's Salvation laid the groundwork for Western justice and compassion -two traits that forged the founding documents of a new government...American Government. This course begins with the origins of Western Heritage that embraced Judeo-Christian principles and then the rule of law and the acknowledgement of natural law that finally created the US Constitution. The Declaration of Independence is covered word for word, the Articles of Confederation is compared to the Bill of Rights and the US Constitution is thoroughly explained from the 7 Articles to the 27 Amendments. This American Government course also examines how the US Constitution held up during historical challenges, such as the Civil War and its slavery issue, and how it now meets new challenges, like Progressivism and threats to national sovereignty. This workbook serves as an interactive workspace for students taking the online "American Government" course at www.gwbridgeacademy.com. From the founding of the American government to the present-day challenges, this clearly explained text is a perfect guide for anyone who wants to be knowledgeable about the democratic system and the laws that affect the lives of Americans. It elucidates the complexity of the U.S. political system and provides readers with the information necessary to make them more engaged and competent participants in the American system of government. This book was designed for those who want to develop a better understanding of American political culture, structures, and governmental functions, as well as the relationships between the branches of government and associated institutions. The content is focused on an essential review of all the important facts, concepts, and theories of U.S. government and politics. You will learn about historical figures and important events that established the foundations of American government, the meaning and significance of the Constitution and the Bill of Rights, how each branch of government functions and how they interact with each other, as well as the influence of special interest groups on policy and politics. Created by highly qualified political science teachers, scholars, and researchers, this book educates and empowers both the average and the highly informed American, helping them develop and increase their understanding of American democracy. Teach students the history and symbols of America with U.S. Government and Presidents. Updated through the November 2016 election, the book covers: -The Constitution -branches of government -voting -citizenship This book aligns with current state standards for third-fifth grade. Encourage civic responsibility and participation by helping your students understand their roles as citizens. U.S. Government and Presidents The lessons in this book are designed to inspire critical thinking and can be taught in any order. This book includes an answer key and reproducibles. With Barron's, learning about government studies becomes fun. Painless American Government covers the U.S. Constitution, branches of government, civil liberties and civil rights, and more. Short quizzes are included throughout the book so students can test their learning progress. Geared toward middle school- and high school-level learners, Painless American Government takes a lighthearted, humorous approach to learning about government and politics, and is ideal for students who find it confusing or who just need a little extra help. Ideal for students learning the basics of government, the author starts

with a general description of government and a comparison of democracy as practiced by the founding fathers and how it operates in today's America. Students will also learn about elections and political parties, how public policy is created and shaped, and how they can become more involved in the process of self-government. "United States Government" is an updated and expanded textbook for high school, ESL, and adult learners reading significantly below grade level. This full-color textbook carefully explains the origins and development of U.S. government, the history of political parties, the branches of government, and voting and citizenship up to the new millennium. The text includes information on the Clinton impeachment proceedings and the 2000 election results. Lexile Level 930 Reading Level 4.0 Spache Interest Level 6-12 Contains information, questions and activities designed to teach students the basics about the organization of the United States government. If the confusion following the last presidential election is any indication, the average citizen knows precious little about the democratic system and the laws that affect their daily lives. –The Everything American Government Book unravels the complexities of our democracy and provides readers with the knowledge necessary to make the right decisions and take an active role in the management of their country. From the roots of American government and the challenges that have helped shape it over the years to its current structure and systems, this thoroughly researched work is ideal for anyone brushing up on civics, as well as students of all ages. Readers learn about: The personalities and events that gave rise to our current system The real significance of the Bill of Rights and the Constitution The functions of each branch of government and how they work together Private sector's influence on public policy and decision-making Ways to get involved and make a difference Specially designed to inform and empower the average citizen during this critical election year, The Everything American Government Book provides the keys to understanding the ins and outs of the most powerful democracy in the world. Bring history to life for students in grades 5 and up with We the People! Students love learning about the U.S. government from this engaging classroom supplemental text. Lessons in this 96-page book cover all three branches and levels of the government, a response to the tragic events of September 11, 2001, and a contact list of government agencies and organizations. Lesson topics also include the Liberty Bell, elections, the American flag, money, public opinion, and the Constitution. The book includes Web resources, a bibliography, various activities, and an answer key. American Government 3e aligns with the topics and objectives of many government courses. Faculty involved in the project have endeavored to make government workings, issues, debates, and impacts meaningful and memorable to students while maintaining the conceptual coverage and rigor inherent in the subject. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. Keyed to the 8th and 9th editions of Wilson/DiIulio's American government, this book includes a diagnostic test, practice questions, full-length practice tests as well as graphs and tables to help students learn to analyze data. Covers the functions of federal, state, and local government This program introduces students to the intricacies of the federal, state, and local governments, and their rights and responsibilities as U.S. citizens. The single-concept approach makes content accessible for all students as they make the important connection between the relevance of American government and their own lives, and learn how to become responsible citizens of the 21st century. The manageable content and support helps students successfully meet curriculum requirements. Lexile Level 800 Reading Level 3-4 Interest Level 6-12 Citizenship depends on knowledge What could be more important than learning about government? United States citizens need to stay informed, know their rights, and be involved. It's basic to a democratic system. The updated United States Government goes beyond planting the seed for citizen participation. This comprehensive text explores the origins and development of our government, the history of political parties, and branches of government. The timely topics of voting, results of the 2004 election, foreign policy, terrorism, economics, and the media's role are covered in detail. United States Government is designed to appeal to students. Colorful graphics, charts, biographies, vocabulary, and study tips motivate learning. Throughout, students are encouraged to relate government to their own lives with these added sidebars: Civics Connection, Did You Know?, Government in Your Life, and Writing About Government. Lexile Level 930 Reading Level 3-4 Interest Level 6-12 Covers the functions of federal, state, and local government This program introduces students to the intricacies of the federal, state, and local governments, and their rights and responsibilities as U.S. citizens. The single-concept approach makes content accessible for all students as they make the important connection between the relevance of American government and their own lives, and learn how to become responsible citizens of the 21st century. The manageable content and support helps students successfully meet curriculum requirements. Lexile Level 800 Reading Level 3-4 Interest Level 6-12 Updated with the latest research, statistics, and election results, Magruder's American Government offers a clear, engaging approach making the subject of government accessible to students of all abilities. This AP* Government student's companion is filled with vocab, activities and assignments that follow the Wilson/DiIulio, Bose and Levendusky 15th edition of American Government: Institutions & Policies for all 20 chapters. Its activities can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook, physical or online. Teachers can copy at will, and parents can use the book as a student consumable. The rationale for having this workbook is that publishers now put so much of their extra content online, traditional classwork is left lacking. No matter if the textbook itself is written in ink or electrons, many students still find it valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, diagram every chapter, and think things through with the authors. Find TTT on FB, or click author name at the top of this page for all titles in this series. Break down the complicated system that is the American government to discover how it all works. Our resource explores the legislative, executive and judicial branches of the federal government to make it easier to understand. Learn what a government is, its roles, and why we need it. Recognize that there are several different kinds of government, like constitutional monarchy, dictatorship and representative democracy. Determine which kind of government embodies the United States. Find out the purpose of the Constitution and what rights citizens have within their government. Make a list of the main ideas for each of the amendments to the Bill of Rights. Move through the systems of government to discover how a bill becomes a law. Become the president and solve three problems your country is having. Aligned to your State Standards and written to Bloom's Taxonomy, additional writing tasks, crossword, word search, comprehension quiz and answer key are also included. American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them. Learning about civics shouldn't be boring. How America Works gives teens a fun, behind-the-scenes look at how the U.S. government works, why they should care and how they can get involved. But this isn't just any old civics primer. Appealing graphics and a conversational tone draw readers in from the very first page. Political cartoons and debates spark critical thought. And age-appropriate explanations make even the most complex civics topics accessible and easy to understand. In short, this comprehensive guide has everything teens need to know about government and civic engagement (and probably don't). 11 easily digestible units From the Declaration of Independence to civil rights and immigration, How America Works helps readers understand the foundations of our nation and the key civic issues facing America today--without dry or complicated language. Ideas for civic engagement It's easy for teens to feel like the government doesn't matter to them. But when they see their interests and concerns reflected on every page, they'll feel empowered to get involved. And we've got plenty of ideas to help them out. Perfect for teachers or parents Your middle- and high-school students are the voters, active citizens, and community leaders of tomorrow. When you give them How America Works, you're giving them a guide to making their voices heard.
